

Hardwick Offers Bulk Waste Disposal

Would you like to remove unwanted bulky items taking up space in your cellar, attic, and garage? The Hardwick Recycling Center will hold a Bulk Waste Day on June 19th from 8 AM to 12 PM. This is an opportunity to rid your property of clutter while conserving useful material and protecting the environment from impacts of landfilling and incineration. This service is available to residents of Hardwick and other towns. For this one event only, a Recycling Center sticker is not required, but there will be a fee charged to cover the cost of disposal. The Hardwick Recycling Center is located at 2011 Barre Rd in the Village of Wheelwright.
