

Hardwick Offers Bulk Waste Disposal

The Hardwick Recycling Center will hold a Bulk Waste Day on Saturday June 25th, 2011 from 8 AM to 12 PM. This service is available to residents of Hardwick and other towns. For this one event only, a Recycling Center sticker is not required, however there will be a fee charged to cover the cost of disposal. In an effort to ensure that the majority of items collected would be recycled rather than incinerated or placed in a landfill, the commission searched for the most responsible and reasonable cost possible. The charges for items have increased to cover the cost of the hauling and processing fee to be incurred. The Hardwick Recycling Center is located at 2011 Barre Rd in the Village of Wheelwright.
