

Town of Hardwick
Board of Selectmen
Minutes
8/2/2021

The Hardwick Board of Selectmen meeting was called to order at 6:00PM in the Myron E. Richardson Municipal building by Chairman Kelly Kemp. Present were members Julie Quink and H. Robert Ruggles. Also present was Town Administrator, Nicole Parker.

Special Informational Meeting RE: USDA funded Wastewater infrastructure project

There was discussion regarding the need for another public informational session to inform the public of the project and refamiliarize with it. The Board thinks the public should know about the vote of the sewer commissioners to accept USDA rates and betterments and that Eagle Hill School signed the agreement to take payment for sewer credits and become sewer users. The Town now has to reengage the engineers to continue working on design, and discuss the actions the Board voted to take to reengage USDA. It was suggested that all of the stakeholders be present. N. Parker will invite DPS, RCAP, USDA, CMRPC, Senator Gobi and Congressman McGovern.

Motion was made to schedule the public informational meeting at Hardwick Elementary School on August 26th at 6:00PM by J. Quink. Seconded by H. Ruggles. Motion passed (3:0)

One Day licenses: Hardwick Fair

Motion was made to approve two (1) one day liquor licenses to the Hardwick Fair for August 20 and 21, 2021 by H. Ruggles. Seconded by J. Quink. Motion passed (3:0)

New Braintree Road Improvement Project

This item was tabled to the next meeting.

Adjournment

Motion was made to adjourn at 6:30PM by H. Ruggles. Seconded by J. Quink. Motion passed (3:0)
