

PUBLIC MEETING

SHARE YOUR IDEAS FOR REDUCING RISK TO NATURAL HAZARDS AND CLIMATE CHANGE

Do you wonder if Hardwick can flood, experience a tornado, or have an earthquake? What can prevent those natural hazards and climate change from wreaking havoc in our community?

Join our **second public meeting** to learn about this important project and to **share your ideas** for making Hardwick **more resilient** to natural hazards and climate change.

02/26/2024

5:30 pm – 6:30 pm

Join via Zoom!

Hardwick has formed a Hazard Mitigation Planning Committee to identify projects to mitigate the risks caused by natural hazards and climate change.

The Town is working with a consultant hired by the Massachusetts Emergency Management Agency to develop a Hazard Mitigation Plan that will be approved by the Federal Emergency Management Agency and adopted by the Town. This plan allows Hardwick to apply for pre- and post-disaster mitigation funds.
